

The Christmas Concert had a amazing concert like the lights was something that really caught my eyes.The fashion was amazing and they dresses was amazing and beautiful. The fashion was amazing . The make up was amazing,beautiful,and they had a lot of thoughts towards that. Lastly,I enjoyed everything about the Christmas Concert.

For starters we going start talking about the lights. That was amazing to look at especially the pattern they made the lights . It had everyone like wow and shocked because it was amazing patterns and colors. For Example, when the play first began it was amazing with the green /red flowers shape color.the circle was amazing also I found that nice to have on a play stage.Finally, I just loved it so,yes good by the lights.

Additionally, the fashion was amazing because the dresses gave a wave face!! It was beautiful,charming,fantastic ,and etc.The guys had fashion too just amazing them to wear.For instance , when they first came out with the dress it was nice. The came out with the sweaters was amazing also . Lastly, it was amazing to me the dressing.

Third, the makeup was amazing dealing with the stage everything because it match what they was wearing . It really gave all of us a shock so good for the makeup team. For example, when they did the make up for the dress and everything I was like yesss!! It's beautiful!! It was great that the make up giving great vibes so, good for whoever did the makeup! Finally, it was great for the makeup !!

In conclusion, That was amazing play !! I had a great time watching it and being there so, thanks for inviting us ! The fashion, makeup ,and lights was amazing! I love it hopefully you all will invite us again next year !! Thank you for it and appreciate it for the play !
